1. The following is a quotation of the appropriate paragraphs of 35 U.S.C. 102 that form the basis for the rejections under this section made in this Office action:

A person shall be entitled to a patent unless –

(d) the invention was first patented or caused to be patented, or was the subject of an inventor's certificate, by the applicant or his legal representatives or assigns in a foreign country prior to the date of the application for patent in this country on an application for patent or inventor's certificate filed more than twelve months before the filing of the application in the United States.

2. Claims 1-10 are rejected under 35 U.S.C. 102(d.) as being clearly anticipated by Lee et al KR 2003083887 A (November 1, 2003) corresponding to application 2002KR-0022282 (April 23, 2002).

The attached abstract seems to be for an identical invention as is presently claimed.
